## HUNTINGTON WILL DROP FROM LEAGUE.

Will Huntington, W. Va., have a baseball team in the O. S. L. this season, or not? This is the question many fans around this circuit are asking themselves.

Dr. R. Stern, director of the company, who had the Huntington franchise last year, states that his company will not put a team in the boozecity this spring. However, the company will sell its franchise to anyone at a cheap figure.

## HIGHER PRICE FOR TOBACCO

**Is Predicted—European War Increasing Consumption of Weed Abroad.**

Lexington, Ky.—Local tobacco men are jubilant over the prospect for a brisk demand and higher prices for burley tobacco when the market opens here on December 1. There are several causes which they cite are bound to boost the prices, and the prediction is freely made by well-posted warehouse men here who are in a position to know that the demand will be heavier and the bidding higher at the opening of the season than it has been in years. In the first place they assert that there is a shortage of the weed in the hands of the manufacturers. Secondly, they believe that the European war has had a tendency to increase the consumption of tobacco abroad, as the soldiers in the field require a great deal of it, the Kaiser having recently given special instruction to the officials whose duties are to see that the army is well supplied, to spare no pains or expense to provide them with plenty of tobacco. And on top of this United States Senator James has requested the acting Secretary of State to ask Great Britain to have tobacco put in the same class with cotton, so that it may be exported to all the warring nations in neutral ships. This is calculated to stimulate the demand, and increase the price.

## WOMAN REFUSES OPERATION

**Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.**

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine."

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

**Write to Lydia E. Pinkham Medicine Co., (Confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.**

## BLAME GERMAN SPIES

**For Steamship Fire—Eight Hundred Horses, Intended for Allies, Burn to Death.**

Norfolk, Va., Nov. 10.—Virtually all of the 800 horses on board the British steamship Rembrandt were burned to death when the ship took fire off the Virginia capes yesterday, according to information reaching here tonight. The Rembrandt was bound from Baltimore to St. Nazaire, France, and the animals are understood to have been intended for the armies of the allies.

Tonight the Rembrandt was ten miles off Cape Henry disposing of the carcasses of the horses. She will proceed to Newport News for repairs. Forward compartments of the ship are reported badly damaged.

When the fire was discovered the ship was 200 miles off the capes. The smoke was so dense that the crew could not reach the flames and the stampeded animals were left to their fate. The ship's hold was flooded and the hatches closed, smothering out the fire.

## EXCITING FOR HARRY.

"Well," mused six-year-old Harry, as he was being buttoned into a clean white suit, "this has been an exciting week, hasn't it, mother? Monday we went to the Zoo, Wednesday I lost a tooth, Thursday was Lily's birthday party, Friday I was sick, yesterday I had my hair cut, and now here I am rushing off to Sunday School—Lippincott's."

**Contest Board Renders Decision in Favor of Local Option Forces**

**Fight to Be Continued By "Wets" and Higher Court Will Decide the Question**

Before the Board of Contest for Mason County, to determine contested elections in local option cases, consisting of Hon. W. H. Rice, Judge of the Mason County Court, and the two Justices of the Peace of Mason County, who reside nearest to the Court-house of said county, to-wit, Hon. Fred Bauer and Hon. Fred Dresel.

George M. Diener, et al. ... Contestants vs. Orders and Judgment.

I. M. Lane, et al. ... Contestees. On October 1st, 1914, the Board of Election Commissioners for Mason County, consisting of John H. Clarke, James Mackey and H. C. Sprag, delivered to the Clerk of the Mason County Court, pursuant to Section 2556 Ky. Stat., their certificate showing that at the election held on September 28th, 1914, in Mason County, which election had been heretofore duly ordered by the Mason County Court, pursuant to a petition duly presented to said court, which certificate showed that there were 2159 votes cast in said election in favor of the sale, barter and loan of intoxicating liquors in Mason County as a unit and 2490 votes cast against the sale, barter or loan of intoxicating liquors in Mason County at said election, thus showing a majority in Mason County of 331 votes cast against the sale, barter or loan of intoxicating liquors in said county, the prohibition to apply to druggists.

And on the 5th, day of October, 1914, George M. Diener, Charles Bland, M. J. Donovan, Dan Miller, Ira E. Newell, Henry Farwick, Frank Miller, John Burke, Frank Eitel, John Wells, W. B. Goodman, Ben Poyntz, E. H. Whittington, Martin Drennan and Pat Sammons, filed in the Office of the Clerk of the Mason County Court a petition and notice of contest of said election, which notice was duly served on the County Judge on said date, and before said certificate was ordered to record, pursuant to the provisions of Section 2556 Ky. Stat. On October 9, 1914, said Geo. M. Diener, et al, filed another petition and notice of contest of said election; and on October 10, 1914, they filed an amended petition and notice of contest of said election.

Thereafter, on October 22, 1914, the following named citizens and legal voters of Mason County, filed pursuant to the provisions of sub-section 3, section 2556 Ky. Stat., a statement controverting the grounds of the contestants. Said citizens and legal-voters being as follows, to-wit: I. M. Lane, W. W. Ball, Jas. H. Hall, J. Elgin Anderson, Jas. T. Holton, Henry Shubert, Jas. Ross, Walter Worthington, E. F. Boyd, Jr., Frazee Weaver, George W. Woodward, T. B. Stroude, Dan Lloyd, Chas. Wallingford, Jas. Grayville, Frank McIntyre, W. L. Gault, H. T. Crawford, L. J. Forman, C. H. Newman, E. L. Mastin, Roy D. Berry, A. P. Gooding, B. F. Hawkins, R. W. West, Isaac N. Manley, Dr. W. G. Phillips, O. J. Callahan, John W. Bramel, Thomas F. Gaither, A. P. Bramel, G. P. Gaither, Pearce Calvert, L. M. Collis, John Pollitt, John W. Holliday, George Turnpseed, Scott Fletcher, John Valentine, George W. Cobb, Sam King, Edward Tolle, W. S. Hicks, Arthur Glascock, John B. Cochran, John R. Downing, A. P. Wood, Patrick Maher, P. Marshall, Rev. I. B. Hollan, V. L. Lloyd, James Coffee, James Cole, and on November 9, 1914, said parties filed a statement controverting the further grounds of contest set up in the petitions for contest filed by contestant after they had filed their original petition.

On the fourth Monday after the filing in the County Clerk's office of the grounds of contest, to-wit, on November 2, 1914, said contest came up for hearing before the Board provided by law, consisting of Hon. W. H. Rice, County Judge and the two Justices of Peace who reside nearest to the courthouse of Mason County, to-wit, Hon. Fred Bauer and Hon. Fred Dresel. Thereupon, the contestants moved the board that the hearing of the case be continued, to which contestees objected; the Board sustained said motion, and ordered said contest to be passed for hearing until the 9th, of November, 1914.

On said date, November 9th, 1914, all the parties to said contest appear by their attorneys, and the contest was fully heard; thereafter, the Court adjourned its sittings, until the following day to consider the questions involved; Now, on said date, Nov. 10th, 1914, the Court again met and adjudges as follows:

That said election held on September 28, 1914, in Mason County, as a whole is valid; that the act of March 13, 1914, being Chapter 13 of the Session Acts of 1914, under which said election was held is valid and constitutional; and

that at said election 2159 votes were cast in favor of the sale, barter or loan of intoxicating liquors in Mason County, and 2490 votes were cast against said sale, barter or loan, the prohibition to apply to druggists, thus being a majority against said sale, barter or loan of 331 votes. The county court has heretofore held that the city of Maysville is not entitled to a separate election on that subject, nor is any of the wards or precincts thereof.

It is therefore adjudged that the certificate of the Board of Election Commissioners filed in the office of the Clerk of the Mason County Court be spread upon the order book of said court, and that this judgment be entered on the order book of said court.

It is further adjudged that the contestants, Geo. M. Diener, et al, shall pay all the costs of this contest.

Given under our hands this 10th, day of November, 1914.

To all of this judgment, contestants object and except and pray an appeal to the Mason Circuit Court, which is granted.

W. H. RICE, Judge Mason Co. Court. FRED DRESSEL, J. P. Mason County. FRED W. BAUER, J. P. Mason County.

## MASON COUNTY BOARD OF LOCAL OPTION CONTEST.

Geo. M. Diener, et al. ... Contestants vs. Judgment.

I. M. Lane, et al. ... Contestees. The Court is of the opinion, that the Act of 1914 repeals the conflicting Acts of 1906 and 1912, and that its language being the same as that of the 1914 Act, must be construed as the Act of 1894, was construed by the Court of Appeals and the cases of Cole vs. Commonwealth, Bottoms vs. Commonwealth and Early vs. Bains, 121 Ky., and other cases.

Eliminating the 1906 Act, we must eliminate the case of New Castle vs. Scott and similar cases based thereon and must go back to the construction of Sec. 61 of the Constitution as made in the older cases cited above.

It is our opinion, that the Local Option Election held for the County of Mason, could not, if upheld by us, affect the status of the City of Maysville or any of its Wards or Precincts, and as the election was held under conditions which this fixed status of the City as a wet unit was not recognized or understood by the voters throughout the County and City, and there must have been misunderstanding and confusion among the voters; we hold and adjudge that the entire election was illegal and void.

Before the Board of Contest for Mason County to determine contested elections in local option cases, consisting of Hon. W. H. Rice, Judge of Mason County Court and the two Justices of the Peace of Mason County who reside nearest to the Court-house of said county, to-wit: Hon. Fred Bauer and Hon. Fred Dresel. George M. Diener, et al. ... Contestants vs. Against Motion of Contestants I. M. Lane, et al. ... Contestees. At the close of the hearing contestants move that the written judgment presented by them marked "A" the Board having considered of said motion overruled same and refused to enter said judgment, to all of which the contestants object and except and ask that said motion for judgment marked "A" be made part of the record herein, which is done.

## HUNTING MAY BE STOPPED IN OHIO.

Columbus, Ohio, November 10.—Hunting may be stopped all over the state by the Agricultural Commission because of the foot and mouth disease now prevalent. Farmers complain that logs working with hunters are liable to carry the infection from farm to farm and do great damage. There are 50,000 hunters in the state, licensed, but their licenses will be worthless after the quarantining order of the commission is issued. It is liable to come any day.
